Dog Wash and Car & Horse Wash Packs

All Packs are available In **Jet Black, Clear Violet, Clear Red, Clear Blue and Clear Green.**

The **Dog Wash Pack** comes with 12.5' EZ Hose, matching 9 setting color nozzle, sink adapter for inside use and a handy nylon carrying and storage bag. The **Car** and **Horse Wash Packs** come with 37.5' EZ Hose, matching 9 setting color nozzle, and a handy nylon carrying and storage bag.

The EZ Hose is made of high quality 3/8" polyurethane, with the highest quality solid brass swivel fittings. This hose has proven itself extraordinarily tough and has outstanding flexibility and memory. The water hose comes with a one year guarantee against abrasion, stretching and kink damage. Since it is lightweight, compact and flexible, it can be used just about anywhere; around the home and garden, for pets, horses, autos, boats and RVs. It also has many industrial and commercial uses; the list is endless! Due to its versatility and durability the hose will pay for itself many times over.
